

What to Bring to Winterfest

Use this sheet as a checklist to help you pack for Winterfest. Use common sense when packing. If you know you'll need a certain item such as prescription medicine, bring it. If you need to ask for permission to bring a certain item, it's probably inappropriate. Again, use common sense.

A good rule of thumb when packing is to put together everything you *think* you'll need, and then bring half of it. Most of the stuff you think you'll need, you won't.

WHAT TO BRING

- Cell phone with a Bible App
- Appropriate clothing for warmth and decency (this includes one-piece swimsuits)
- Comfortable shoes (you will do a lot of walking)
- Sleeping clothes
- Earplugs (some people snore)
- Toiletries: toothbrush, toothpaste, deodorant/antiperspirant, shampoo, hairbrush, etc.
- Snacks for the van
- Food and spending money
- Air mattress and pump (optional)

WHAT NOT TO BRING

- Alcohol, drugs, drug paraphernalia, and tobacco
- Knives and weapons of any kind
- Inappropriate clothing and materials
- Jewelry (can be lost, damaged, or stolen too easily)
- Computers and electronic devices other than phone (can be lost, damaged, or stolen too easily) Best Advice: protect your stuff by not bringing it. Even though we're a church, don't give others the temptation to steal or "borrow without asking" your stuff.
